THE PAT CAMPBELL FIGHTING CANCER 5K

Greetings in Christ!

As your PC5K race directors, we are so excited to be rapidly approaching the 16th Annual Pat Campbell Fighting Cancer 5K! Last year we were able to donate $23,000.00 to The Ohio Valley Fighting Cancer Fund because of our amazing sponsors! Thank YOU for your generosity and giving us the privilege to serve families fighting cancer throughout the Ohio Valley! This brings our lifetime total to over $270,000!

We are asking that you prayerfully consider sponsoring th is year's race. This year you can donate directly to our chosen charity via the QR code, online at www.fightingcancer5k.com or by mailing your check to The Ohio Valley Fighting Cancer Fund, 110 Mary St, Mingo Junction, OH 43938. The Ohio Valley Fighting Cancer Fund is an independent local 501(c)3 charity that has the flexibility to serve any families fighting cancer within 45 miles or 60 minutes of Mingo Junction, Ohio. Find out more on our Facebook page or contact us directly!

Here are additional ways you can get involved: donating items to the Irish Blessings raffle, dropping off non-perishable goods on race day to help Cram the Cruiser for the Cancer Dietary Initiative, adding a loved one's name to the Cancer Fighter's Wall of Honor banner, or just keeping our event and the families we serve in prayer.

If you are a first-time Rainbow, Pot of Gold, or Leprechaun sponsor, or have recently changed logos, please email us your high-res logo at fightingcancer5k@gmail.com by **February 21st, 2026** to be included on this year's t-shirt**.**

Lastly, this year's event will be held on Saturday, March 14th, 2026, at 10:30 am and we would LOVE to have you attend and participate as a runner, walker or raffle participant if able! Wear your kilts, don your green clothing and come out and see the impact you are having in the Ohio Valley! If you have any questions, please visit www.fightingcancer5k.com, email fightingcancer5k@gmail.com or contact either one of us directly via phone or text.

In Christ,
Galen & Tambi Wade
Co-Race Directors
