

The Pat Campbell Fighting Cancer 5K presented by Crossroads North River

SUBJECT: The 2024 Pat Campbell Fighting Cancer 5K fundraiser for the Tony Teramana Cancer Center Trinity Emergency Assistance Relief fund

Greetings in Christ!

My name is Mark Prichard, and I am the Senior Pastor at Crossroads North River. Last year was our first year hosting this incredible event, and I am honored to announce we were able to donate \$20,000.00 to the T.E.A.R. Fund because of the generous giving of our sponsors!

Since 2010, the Pat Campbell Fighting Cancer 5K has donated over **\$215,000** to assist cancer patients with needed items during their treatments such as:

- Medication co-pays, hat & scarves, insurance co-pay
- Durable medical equipment & supplies
- Emergency utility assistance and other reasonable requests

To learn more about the Tony Teramana Cancer Center T.E.A.R. fund or if you or someone you know needs to apply for help, please contact Barb at (740) 264-8207.

I am asking that you prayerfully consider donating to this year's race. **ANY** amount you can donate helps make our event possible, but more importantly allows the T.E.A.R. fund to help bless the families and their loved ones currently fighting this horrible disease.

Additionally, please consider donating an item to our Irish Blessings raffle. You may sponsor, donate, or both!

All sponsorship checks must be received at the church by **February 21st, 2024.**

All free registration/t-shirt codes must be redeemed by **February 26th, 2024.**

All Irish Blessings auction items must be dropped off at the church or picked up by our staff no later than **March 14, 2024.**

Lastly, this year's event will be held on Saturday, March 16, 2024, at 10:30 am. If you have any questions, please visit www.fightingcancer5k.com or contact the church at (740) 537-3285.

In Christ,

The Pat Campbell Fighting Cancer 5K presented by Crossroads North River
